# COMPANY HIGHLIGHTS

**Lafit Lighting** is one of the leading manufacturers in the architectural LED lighting market, featuring a comprehensive catalog of proven quality, high reliability lighting fixtures capable of offering the industry professionals the most innovative and alternative solutions at all times.

A full range of acclaimed architectural lighting products. We are proud to be an example of the Made in INDIA branding, with a flair for innovation and a profound appreciation of the architectural project. For the last two decades, we have been unstoppable, always focused on realizing new technical objectives and increasing product performance, with particular attention on our human capital, a team of highly trained, motivated people.

Lafit lighting always involves more resources in Research, Innovation & Design. The products studied & designed at Research & Development center by experts subject to a constant and meticulous Quality.

Our products can meet the multiple needs of the architectural and design studies and the most demanding and refined customers. The business philosophy is the same Lafit Lighting have always done design and delivery of the whole system and not the individual product.

Our goal has always been to offer our customers a first-class product backed by unparalleled service, focused on solving our clients illumination challenges.

NEXT LEVEL TECHNOLOGY BASED  
SMART LIGHTS

## SMART LIGHTING ON YOUR FINGER TIPS

From smart light to smart control.

With SMARTNEXT you are able to manage indoor lighting from your smart device.

Transforming technology in a "smart" way

Control luminaires wirelessly via Bluetooth using a smartphone or tablet without additional hard-ware.

Individual switching and dimming, setting up light scenes & integrating sensors. Everything is possible with Bluetooth, including control via DALI.

Revealing soon,

Wait for the NEXT, SMARTNEXT

1. Minimum Order should be 100 mtrs for Empty Profile housing with MRP less than Rs.200/mtr.
2. Minimum Order should be 50 mtrs for Empty Profile housing with MRP more than Rs.200/mtr.
3. LED power supply cost will be charged extra as per required load.
4. Tunable Controller cost will be charged extra as per required load.
5. Hanging / Suspension kit will be charged extra for profiles.
6. Customised Powder coating cost will be charged extra.
7. Packaging cost will be charged extra for empty profiles as well as complete profile with LED.
8. Request to all customers to give length sizes of profiles in mili meters for accuracy.
9. Any customized design will be chargeable for fabrication work @ 10% of net value of profiles, power supply cost excluded.
10. Maximum Length - 3mtr.
11. Profile's order once placed will not be changed or cancelled.
12. 50% Advance payment at the time of P.O. & remaining before delivery.

1. Minimum Order should be 100 mtrs for Empty Profile housing with MRP less than Rs.200/mtr.
2. Minimum Order should be 50 mtrs for Empty Profile housing with MRP more than Rs.200/mtr.
3. LED power supply cost will be charged extra as per required load.
4. Tunable Controller cost will be charged extra as per required load.
5. Hanging / Suspension kit will be charged extra for profiles.
6. Customised Powder coating cost will be charged extra.
7. Packaging cost will be charged extra for empty profiles as well as complete profile with LED.
8. Request to all customers to give length sizes of profiles in mili meters for accuracy.
9. Any customized design will be chargeable for fabrication work @ 10% of net value of profiles, power supply cost excluded.
10. Maximum Length - 3mtr.
11. Profile's order once placed will not be changed or cancelled.
12. 50% Advance payment at the time of P.O. & remaining before delivery.

1. Customization of flexible strips as per required size will be charged @20% of cost of strips.

2. No guarantee will be applicable for customised strips.

3. 50% Advance for all customised orders.

4. Customised orders once placed cannot be cancelled or changed.
