April '22

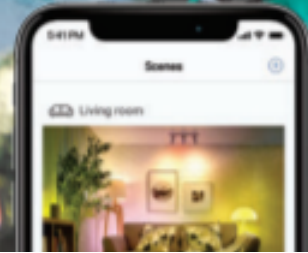

**PHILIPS**

Smart LED

with WiZ Connected

Smart Lighting  
Made Easy

**WIZ**  
Brand wheel

**What the brand does for the consumer?**

**How the consumer would describe the brand?**

**How the brand makes the consumer look?**

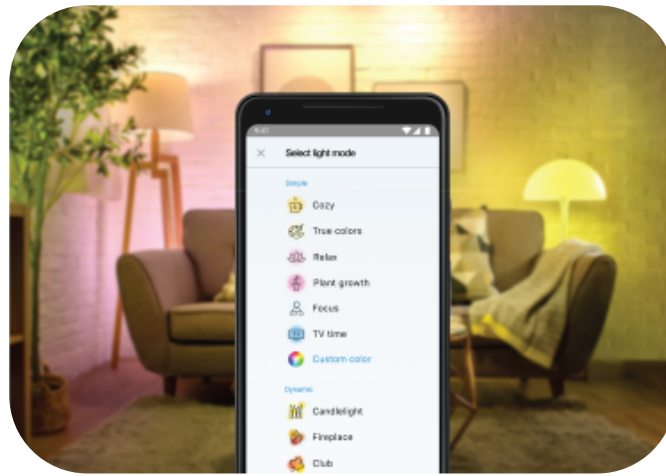

**How the brand makes the consumer feel?**

### Hassle-free.

It connects to existing Wi-Fi network without requiring additional hardware setup or IT expertise.

### Surprisingly clever.

With smart presets and contextual flow\*, we create the most simple and enjoyable user experience.

### Practical.

Control with phone, voice, remote, WiZclick.. It's designed for convenience and for everyday usage.

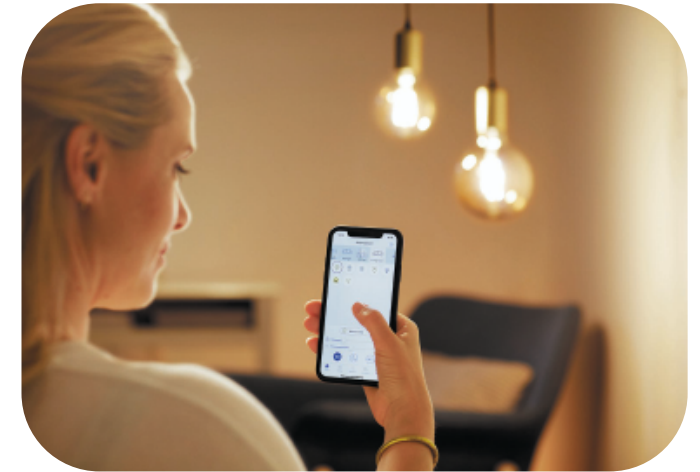

### Thoughtful for you and your loved ones.

We create multiple access right and adaptive lighting pattern\* to make smart lighting enjoyable for each family member.

### Values your time.

We make the smart control fuss free with easy to customize Schedules and Rhythms to fit to your lifestyle and support you through your daily activities.

### Cares about your privacy.

We do not require personal info such as email and phone number. We make our data policy transparent and easily understandable for our users.
