OUTDOOR

Other than the functional requirements of lighting and security, Outdoor lighting truly goes beyond illumination. Outdoor lighting defines the silhouette of the home, the very character of it.

The right combination of design and placement can elevate and take the outdoor experience to an entire next level. The texture and vibrancy of the walls, the garden and the greenery, the fountain and everything else can be accentuated with the wide variety of archetypes available.

Philips lifestyle offers widest variety of Outdoor collection in all design languages. The lasting look and performance of these luminaires are a testimony of great design, sturdy build, and impeccable finish.
